

LEBANON'S OPEN SPACES AND TRAILS

In addition to the almost 6,000 acres of preserved farmland which provide many scenic vistas, Lebanon has 15 miles of town gravel roads good for walking and over 3,000 acres of pristine open space where residents can enjoy walking, hiking, biking, horseback riding, boating, fishing, and hunting. Where hunting is permitted please wear blaze-orange clothing (October through December).

MAP KEY
