5.3 Winter Update from Public Works foreman:

J. Tuttle reported on specifics in the snow budget summary he provided to the board. He shared with the board the concerns voiced by residents as to the materials being used on town roads in
comparison with surrounding towns. B. Petrie said other towns are using richer mixtures on their roads. J. Tuttle explained that the public works employees have to put down double the amount of material in relation to towns that use treated salt. He spoke about the benefits of using treated salt including: the roads would clear faster, less sand would be needed, less wear and tear on trucks as the loads carried would be lighter, and less sweeping after the season ends would be required. He said the increase in cost of using treated salt would be offset by these savings, contributing to lower overall costs. Discussion followed.

The board recommended that J. Tuttle prepare a detailed presentation for a future meeting of the Board of Finance (BOF) for FY 2017/2018 budget consideration.
