5.8 Presentation on Proposal for Hire of School Resource Officer:

Trooper Konow explained that the Board of Finance (BOF) supported the hire of a School Resource Officer (SRO). He made a presentation before the Board of Education (BOE) on April 2. Trooper Konow summarized the SRO position as one that would “support and facilitate the educational process within the school system by providing a safe and secure environment through building and establishing meaningful relationships with students and staff and proactively interacting with the school community to ensure enforcement of state laws, preservation of public order, protection of life and the prevention, detection, or investigation of crime. The SRO will work effectively with students, parents, school personnel and community agencies to support teaching and learning in the schools. The SRO will patrol school properties to protect students, staff, and visitors from physical harm and prevent loss to school properties resulting from criminal activity.”

Trooper Konow said the SRO would report directly to him regarding law enforcement and performance issues. He said this would be a twelve month position and the person hired would be a certified police officer. Trooper Konow noted criminal activities at schools will not go away as this is the climate we live in today. Discussion followed on associated costs with hiring an SRO.

B. Petrie MOVED that the Board of Selectmen endorse the concept of hiring of full-time police officer as a School Resource Officer. J. Bendoraitis SECONDED. MOTION CARRIED 3:0:0.

5.9 State Reporting Requirements for Transfer Station:
B. Petrie stated it was unclear exactly what are the mandatory State reporting requirements regarding the operations at the Transfer Station. L. McDonald reported Solid Waste Chair Carol Morris-Scata will be contacting someone at the Department of Energy and Environmental Protection (DEEP) to get clarification.

### 5.10 Approve the First Selectman to execute the Local Emergency Medical Services Plan for the State of Connecticut:

M. Elliot addressed language in Attachment A: First Responder and Basic Ambulance Performance Standards, specifically the definition of First Call response and first call responses. M. Elliot said it is his understanding that the rolling call response metric is not a State requirement for the Local EMS Plan. B. Petrie asked if there was another metric he could provide that would meet the needs of the Town and the public and M. Elliot responded there were none that had data that could be easily accessed. Some modifications were made to the language in Attachment A. B. Petrie commented demands for data aren’t going away and the Town has to address the need for data collection with its dispatch center.

J. Bendoraitis moved to authorize the First Selectman to execute the Local Emergency Medical Services Plan for the State of Connecticut as amended. G. Coutu seconded. Motion carried 2:0:1 with B. Petrie abstaining.
