2.1 Approval of Bid for Engineering Services for Dam Emergency Action Plan (EAP) for Williams Pond (Lake Williams):

J. Tuttle reported the ten bids received were reviewed by the Town Engineer and himself. J. Tuttle’s recommendation to the Board was to award the bid to the firm of Wright-Pierce at a sum not to exceed $16,500.00. He explained the EAP from this firm could also be used as a reference document going into the future for many groups in Town, such as the Fire Department and Emergency Management and would provide valuable organization and guidance among the various groups in the event of a dam breach. Discussion followed.

J. Bendoraitis MOVED to award the bid for Engineering Services for Dam Emergency Action Plan (EAP) for Williams Pond (Lake Williams) to Wright-Pierce at a cost not to exceed $16,500.00, funds to come from the Lake Williams account # 100-00-000-2269-0000. B. Petrie SECONDED. MOTION CARRIED 3:0:0.

2.2 Public Works Uniform Contract:

J. Tuttle explained that the three year Public Works uniform contract with Swiss Cleaners has ended. He and L. McDonald recently listened to a presentation from Tyler Gauthier, a representative from UniFirst Corporation. The proposal would meet the uniform needs of the DPW employees at the NJPA five year contact bid of $67.00 per week per employee, which is almost half the amount of the weekly cost of the contract with Swiss Cleaners. J. Tuttle said UniFirst also provides additional checks and balances to keep track of the laundry going out and being delivered. The next step would be to have Mr. Gauthier bring samples to the employees for approval and to obtain sizing requirements.

B. Petrie MOVED to enter into a five year Public Works uniform contract with UniFirst Corporation, pending successful discussion with DPW employees. G. Coutu SECONDED. MOTION CARRIED 3:0:0.
