The town share cost has been adjusted downward by $283 due to an adjustment made by our partners after the Town Meeting notice was published, so tonight your vote is on $26,667 vs. $26,950.

This property is a portion of the former Mary Kablik property located at 567 Tobacco Street. The property contains a house and barn and is being used for grazing of horses and cows and for hay.

The Drums will receive a total of $160,000 for the easement which is valued at $220,000. This means the Drums will gift or donate $60K of the easement value.

The USDA-NRCS will contribute 2/3rds of the $160,000 purchase price or $106,666, and the Town has requested funding from CT Farmland Trust to split the remaining $53,334 cost with the Town. The Town’s share is $26,667 or 16.67% of the project cost.
