Absentee ballots will be available in the Town Clerk's Office.
The Resolution to be presented under Item #3 of this notice will be presented to the voters under the following heading:

“SHALL THE TOWN OF LEBANON APPROPRIATE $6,550,000 FOR COSTS RELATED TO THE DESIGN, CONSTRUCTION AND EQUIPPING OF THE AMSTON LAKE AREA SEWER PROJECT AND AUTHORIZE THE ISSUE OF BONDS AND NOTES IN THE SAME AMOUNT TO FINANCE SAID APPROPRIATION?”

Voters approving said Resolution will vote “Yes” and those opposing said Resolution will vote “No.”

Jason Hofmann, Chairman of the WPCA, and Brandon Handfield presented an overview of the proposed Amston Lake sewer project which would connect approximately 300 lake residences to Hebron’s sewer system. It is the goal of the WPCA to avoid using any tax dollars from the Town, and to seek grants and other funding sources to help fund the project. He further stated that to become eligible to apply for grants, the WPCA needs Town approval. First Selectman Joyce Okonuk spoke to the question as follows. The Town is under an abatement order from the State. If the project is rejected, the State will take action against the Town. While it is the goal of the WPCA and the Town not to use tax dollars, the Town would have to help fund operational cost until user fees from Amston Lake residents could cover expenses.
