Moved by Blakeslee, seconded by Bendoraitis to approve the request to use the Community Center for an indoor campout contingent upon the availability of the building. Vote: yes. Unanimous.

They will forward comments immediately back to the Selectmen so these new procedures may be implemented for the 2007 parade. The Legion has recommended the Parade be held, as usual, the Saturday of Memorial Day weekend, May 26th. Moved by Okonuk, seconded by Blakeslee to set the 2007 Memorial Day Parade date for Saturday, May 26, 2007 with no rain date (as per new policy recommendation). Vote: yes. Unanimous.

5.6 Okonuk reported she represented the Selectmen at farewell ceremonies for the French exchange students who recently stayed with Lebanon families. 5.7 Okonuk asked the Board if they would be interested in attending a site walk on April 10th on the discontinued portion of Schalk Road to look at property a resident was considering for a two-lot sub-division that may also be suitable as a possible site for a future cemetery. The Sexton and Planner will also attend. The Selectmen were interested in joining so the meeting will be warned accordingly. No action.

5.8 The same resident (mentioned in 5.7) also inquired as to whether the town would consider having the town-owned portion of land-locked property on Schalk Road logged. He suggested the proceeds be used to help fund the Tyler Field project. The First Selectman and resident further discussed other ideas including the possibility of selling the land-locked piece of town property and/or swapping it for the undeveloped land owned by the resident. Resident was willing to discuss if the Board was interested. No action.
