II. Discuss timeline for Strategic Plan

J. Nowosad noted that the Advisory Committee will put a plan together. The time frames were discussed. Superintendent Angeli explained the model and that it was discussed with stake holders during the Superintendent search process. Input from the Advisory Committee should be done by December or January for the full Board to review.

There were common themes from each of the survey groups. Don't want to do the survey again. J. Nowosad noted the implementation of the plan is beyond the scope of the Board of Education.

S.Tremblay noted that the survey results need to be on paper and sent out to groups.

J. Nowosad reported there will be a kick off meeting before the next regular Board meeting.
