Mr. Salisbury gave the Curriculum Subcommittee an overview of the current academic requirements for graduation. As of now the requirement is 23 credits. According to the projected plan by the State, that number will increase to 25 credits by 2016. Another anticipated requirement by 2016 will be 2 credits for foreign language.

Senior Project was briefly discussed. The possibility of having more emphasis on the community service portion for everyone was addressed. Subcommittee agreed that community service would benefit everyone. Mr. Salisbury will look into this

Adjournment: 7:20 p.m.

Respectfully submitted,
Lori Jahoda, Chair
