MINUTES

Call to Order: 6:35 p.m. by Darcy Battye

Present: Darcy Battye, James Mello, Lori Jahoda, Donna Lafontaine

Also Present: Robert McGray, Mal Leichter, Steve Salisbury, Robert Laskarzewski, Melissa Hofmann

Math and Science AP courses are being reviewed for more participation. Preparing students at an earlier time to make the right choices for junior and senior year courses. Will be back with more information prior to February scheduling.

Career Pathways with Three Rivers Community College earns students up to 15 college credits prior to enrolling at Three Rivers. Students must take Physics, Algebra II and a Tech Ed course. Three Rivers is making some changes in required courses. We need to offer a communication/presentation course, public speaking with the use of technology. Three Rivers will purchase the first 20 books for the course. New course will run as a semester course. Would like to offer it in 2009-2010.

Adjournment: 6:55 p.m.

Respectfully submitted,

Darcy Battye, Chair
