The Superintendent and Kevin French reported the cameras and software were installed.

Rita Quiles-Glover and Samantha McCarthy both provided positive feedback on the new camera system, especially the clarity.

III. Discuss and possibly make a recommendation to the Policy Committee on Bullying Prevention and Intervention Policy and Safe School Climate Plan:

The subcommittee was presented with updates from Rita Quiles-Glover for the Lebanon Elementary School and Samantha McCarthy for Lyman Memorial's affirmative steps in the Bullying Prevention and Intervention Policy and Safe School Climate Plan policy. Superintendent Angeli reported there were not changes to be made to the Lebanon Middle School's section. A recommendation to adopt Shipman & Goodwin's Bullying Prevention and Intervention Policy and Safe School Climate Plan with the updates presented has been sent to the Policy Committee.

IV. Discuss and possibly make a recommendation to the Policy Committee on Hazing Policy:

The Superintendent reported Shipman & Goodwin recommended we retain the Hazing Policy as a separate policy.
