**I. Call to Order**

The meeting was called to order at 4:04 p.m.

**II. LPS Enrollment Update**

Superintendent Gonzalez updated the subcommittee about specific enrollment numbers. We are sitting at 932 currently. Our classes have been consistent with the exception of one outlier class in grade 2 this year. D. Person noted that we could continue to reach out to families opting not to come to Lebanon School to let them know the revised offerings of the district, and to continue to improve relationships with the LMS families

**III. Sending School Partnerships**

Superintendent Gonzalez reached out to Windham regarding Lyman being a sending Ag school- will continue to communicate. Norwich is not interested. Columbia communication has started. Sprague will continue to send Ag students but will not provide transportation for students choosing Lyman as a designated high school

**IV. Discussion regarding full day Pre-K and Alternative High School**

Full day pre-K: This year we will take the time to research the potential addition of this program/class.

Alt-High School: Discussion of benefits of providing this type of services within the district.
