Director/Municipal Agent Report: Grants are going in for another small van and for kitchen enhancement. On April 22nd, members of the Finance Dept from Town Hall will be using our salon for temporary office space while town hall is being renovated. That will also be used for small meetings of town hall. The first session of Demementia Training will be April 15 in the evening. There is a shortage of available van drivers at present because of various personal circumstances, but we cover every need that we can. On May 22nd, we will be entertained at an Afternoon tea by Bruce John, a musician from 'old times' at Shaboo! The local clergy will be presenting a program called "Gift for the Family" concerning planning your final wishes at 1:00pm on May 28th. We will be having a barbecue lunch on that day as well.

Old business: There is no updated news on a builder for the proposed new affordable house in the front right of the senior center.

New Business: There has been an application sent to the town selectman to become a new member in the Commission on Aging. We have the Spring Fling event coming on April 19th and the committee is working on the plans.
