Special Meeting

February 25th, 2021 - 5:00pm

Meeting Minutes

Members Present: Keith LaPorte, Kelly Lawer, Daniel King, Betsy Petrie

1.0 Call to Order

Dan King called the meeting to order at 5:14pm

2.0 Review Minutes from January 27th meeting.

K. LaPorte MOVED to accept the minutes, with one amendment. The meeting date should be the 27th of January.

B. Petrie SECONDED. MOTION CARRIED 4:0

3.0 Discuss any communication(s) with Lebanon Historical Society and State historic Preservation office concerning Christmas tree species.

Betsy has spoken with the LHS and at this time due to ongoing litigation with the Library project the area discussed on the green isn't clear yet and the committee will have to continue to follow up for further direction. The committee agreed it is best to keep meeting as the Library Project continues so that coordinated efforts can be made. Betsy will continue to act as our LHS and State liaison.

4.0 Additional action needed for Christmas Tree planting.

The Trumbull Adams Tree Fund was previously set up, the committee will need to determine if funds set aside can be used and if so what amount of funds there are.

5.0 Discuss creating a list of acceptable tree species to reference for future planting of trees throughout the green area.

The committee has obtained a list of trees (area and species) that were recently removed. The committee will begin to look at "like" replacements of those trees along the Green walkway and access possible removal of any others if needed.

The committee has scheduled the next meeting for March 25th at 5:00pm via TELECONFERENCE.

6.0 Adjournment

Keith LaPorte MOVED to adjourn the meeting at 5:37PM. Dan King SECONDED.
