1.0 Call to Order

Meeting was called to order at 7:00.

2.0 Review and discuss with the Board of Selectman the revised Schematic Architectural Drawings and Detailed Cost Estimate of the proposed Additions and Renovations to the Jonathan Trumbull Library

Chairman J. Russo introduced J. Willerup of Jacunski Humes Architects to the Board of Selectmen. J. Willerup then recounted the history of his work with the Library Building Committee over the past few years. The initial program requirements and cost estimate were completed approximately 18 months ago and have been the focus of the committee work since then as new guidelines for library construction were released from the state. The current program was developed to document current facilities and estimate library needs for the future. Work has also included identification of needs to meet current code compliance. J. Willerup shared the site plan, drawings for the main floor and lower level, and exterior views. The current cost estimate figures for the project were shared and discussed.

3.0 Adjournment

The meeting was adjourned at 8:15.

Respectfully Submitted,
Cynthia Mello, Secretary
