2.0 Old Business

- 2.1 Update on Kiosk – Eben reported that he has been able to get most of the materials donated. His 18th birthday is next week, and he is waiting to hear whether or not his request to the Boy Scouts for a 6 month extension has been approved so that he can finish the project and get his Eagle Scout. Either way, he will complete the kiosk.
- 2.2 Updates on section 5 - Donna spoke with Dave Buckely of DEEP. He is waiting for the machinery so they continue working on the trail. The ditches beyond the herons have been completed and a number of trees were taken down. DEEP will be removing the wood. Gravel will be put down, then stone dust and then the steel plates removed and a bridge installed.
- 2.3 Work on trail by DEEP – see above
- 2.4 Mile markers – Donna obtained 4 quotes for 4x4s and purchased from Norwich Lumber. She is working on carving/painting mileage on the posts, will then attach available signs and contact Mark and Walt to install signs.
- 2.5 Wayne Norman interview – Donna's interview went very well and is available on the WILI website.
