

AN ORDINANCE ESTABLISHING TWO (2) SHIFTS OF ELECTION OFFICIALS

BE IT ORDAINED by the electors of the Town of Lebanon at a duly warned meeting:

The Board of Registrars may establish two (2) shifts of election officials for each polling place with the exception of the moderator. In each polling place for which two (2) shifts of election officials have been so provided, the moderator shall keep a written record of the specific hours and time served at the polls by each election official. In each such polling place, all members of both shifts who are required to sign returns including checkers and assistant registrars, if any, of both shifts, shall be present at the closing of the polls and shall remain until all returns have been executed. Both shifts of election officials shall comply with the Connecticut General Statutes regarding elections.

This ordinance shall take effect fifteen (15) days after publication in accordance with Connecticut General Statutes.

The effective date of this ordinance is March 23, 1988.
