

Lebanon Social Services
Holiday Giving Program 2022

Please contact me to sponsor a child and for their “wish list”. The lists for the children were collected from their families. This does not mean all those items need to be purchased. This just gives a good idea of the things the children would like so you have an easier time finding items on their list. Gift cards to places such as Walmart, Target, Game Stop, Claire’s, Michaels Crafts, Kohl’s, TJ Maxx, McDonalds, Burger King, Taco Bell, Dunkin Donuts are also welcome. The pre-teens and teens love gift cards!

I am asking that each child be provided with no more than 6 gifts.
If someone would like to donate more than that, please consider sponsoring more than one child.

I would prefer to make sure all the children are provided for instead of giving lots of extras to just a few children.

Please do not wrap any of the items. Also, we ask that you do not include any religious articles or used items.

Please label the children’s gifts with the code listed for each child.

This ID is assigned for confidentiality and helps to match up the children with their gifts.

**I can start accepting gifts at Town Hall November 28th through December 8th.
Gifts will be distributed to the families beginning on Tuesday, December 13th.**

Thank you for your kindness & generosity in sponsoring a child this holiday season.
Wishing you and yours a joyous holiday and Happy Healthy New Year 2023!
